## ToughStripe Max Floor Marking Tape (B-543)

- Resistance to cuts and scrapes in high-traffic forklift and industrial-vehicle traffic areas due to its increased thickness (1.25 mm)
- Aggressive adhesive performance to floor, but easily removes in one piece
- Tapered edges minimize "pick points" and traffic bumps
- Service temperature range of 0° F to 140° F (-18° C to 60° C)

|                   | 2 in. x 100 ft. | 3 in. x 100 ft. | 4 in. x 100 ft. |

## Pre-Spaced ToughStripe Shapes

Quickly lay straight, evenly spaced shapes. Simply lay down the continuous tape, then remove the clear transfer tape. No need to apply markings one by one.

## Print-On-Demand ToughStripe Tape (B-483)

ToughStripe is available as a printable material for several of Brady's printers, allowing you to create custom floor labels for your facility. Simply print desired label from a select Brady printer, position label on floor and apply included B-634 polyester overlamine for print protection.

## Toughstripe Floor Marking Signs

Toughstripe B-534 polyester floor signs resist harsh chemicals and are specifically designed to alert workers of potential dangers and enforce protective equipment requirements.

- Exceeds safety standards for clean, dry non-slip surfaces per ANSI A1264.2-2006 and OSHA 1910.22
- Black areas of signs are coated with anti-slip tread
- 3-mil thickness, service temperature 0° F to 130° F (18° C to 54° C)
- US Patent No 8,302,337

## PaintStripe™ Floor Marking Stencil

- Faster application, exact measurement and precise control
- Two adhesive types to securely mask edges and provide easy removal on concrete and other floor surfaces
- Printed cut-lines and a repeating 12-inch ruler facilitate accurate length measurement and rapid alignment of 90° corners
- Ideal for areas where paint is preferred for line-marking, such as areas with aggressive or abrasive traffic conditions, or facilities that are unable to use aisle marking tapes due to wet floors, washdown conditions, floor-cleaning protocols or chemical exposures

### B-518 with lower adhesion for clean, polished floors

| Catalog # | Surface Type    | Style  | Size          | Qty          |
|-----------|-----------------|--------|---------------|--------------|
| 148820    | Smooth Flooring | Line   | 2 in.         | 100 ft. roll |
| 148808    | Smooth Flooring | Line   | 2 in.         | 500 ft. roll |
| 148814    | Smooth Flooring | Line   | 3 in.         | 100 ft. roll |
| 148819    | Smooth Flooring | Line   | 3 in.         | 500 ft. roll |
| 148806    | Smooth Flooring | Line   | 4 in.         | 100 ft. roll |
| 148816    | Smooth Flooring | Line   | 4 in.         | 500 ft. roll |
| 148815    | Smooth Flooring | Dashed | 2 in. x 8 in. | 100 ft. roll |
| 148823    | Smooth Flooring | Dashed | 2 in. x 8 in. | 500 ft. roll |

### B-519 with higher adhesion for dull or worn surfaces

| Catalog # | Surface Type   | Style  | Size          | Qty          |
|-----------|----------------|--------|---------------|--------------|
| 148813    | Rough Flooring | Line   | 2 in.         | 100 ft. roll |
| 148822    | Rough Flooring | Line   | 2 in.         | 500 ft. roll |
| 148809    | Rough Flooring | Line   | 3 in.         | 100 ft. roll |
| 148821    | Rough Flooring | Line   | 3 in.         | 500 ft. roll |

## Paint vs. ToughStripe Tape

|                                                                                                  | Preparation and Execution                                                                                         | Environment                                              | Removal                                               | Brady Solutions                           |                                                                            |
|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------|-------------------------------------------------------|-------------------------------------------|----------------------------------------------------------------------------|
|  <b>Tape</b>  | Requires less planning and preparation. Tape immediately bonds to floor.                                          | Indoor, dry environments                                 | Easier to remove if markings need to be rearranged    | <b>Good:</b> B-726 Vinyl Tape             | Cost-effective solution for short application periods                      |
|                                                                                                  |                                                                                                                   |                                                          |                                                       | <b>Better:</b> ToughStripe Tape           | Longer application period and available in die-cuts and signs              |
|                                                                                                  |                                                                                                                   |                                                          |                                                       | <b>Best:</b> ToughStripe Max Tape         | Highest durability for forklift traffic                                    |
|  <b>Paint</b> | Extensive surface preparation, ventilation and control of ignition or contamination sources. Downtime for drying. | Indoor and outdoor use, including wash down environments | Difficult to remove if markings need to be rearranged | <b>PaintStripe™ Floor Marking Stencil</b> | Paint stencil for longer, more permanent marking on rough or pitted floors |
