Brady Workstation Safety and Facility ID Suite

Brady Workstation has revolutionized how you design and print labels from your PC. When paired with the high-performance printing capabilities of a Brady printer, you get intuitive label set up for simple, efficient and flexible label creation.

This suite features:

- A collection of applications for creating the custom signs, labels and pipe markers you need to add visual safety guidance to your facility
- The ability to serialize and import your data onto the labels
- Real-time information about the label material installed, enabling easy label set up
- Built-in regulations, standards, pictograms, common phrases, data importation guidance, help functions and more

Full-color printing means less material to inventory

Three white BradyJet J5000 label rolls can create the same types of labels as these 14 colored and pre-printed rolls.
